

PAVES 4: Meet and Greet Social

Discussion Topic 1

Introduce yourself and share:

- A fun fact about yourself, AND
- A science fact from your research

What's the best piece of advice you've ever been given?

Did you take it?

Credit: HCI

Have you passed it on to anyone else (before today)?

Discussion Topic 3

Credit: COH

Which would you choose to work on to better address cancer health disparities and why:

- Development of 'gadgets' that will improve point-of-care technologies in testing, diagnostics and/or treatment
- Development of digital health interventions (e.g. mobile health, better access to personal medical records, etc.)
